

EIC User Manual for Citrix Client installation

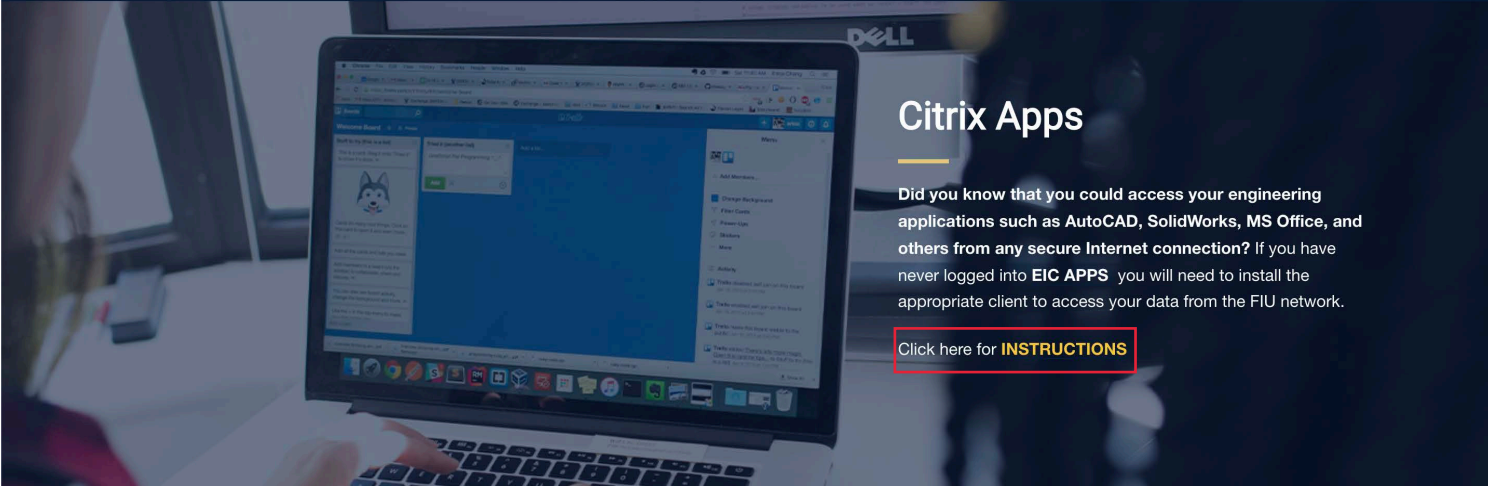

Please read the following instructions. Completion of all steps are required for a successful installation.

We recommend following this procedure using as Internet Browsers: Google Chrome or Mozilla Firefox.

1- Go to <https://eic.fiu.edu/>. Click the Citrix Apps tab, then click on the link at the top that says "INSTRUCTIONS"

ENGINEERING INFORMATION CENTER Q

FIU Engineering & Computing EIC ▾ Getting Started ▾ CEC (Novell) Account ▾ Services ▾ Citrix Apps Help Desk

Citrix Apps

Did you know that you could access your engineering applications such as AutoCAD, SolidWorks, MS Office, and others from any secure Internet connection? If you have never logged into EIC APPS you will need to install the appropriate client to access your data from the FIU network.

[Click here for INSTRUCTIONS](#)

2- Use your EIC Novell account to login.

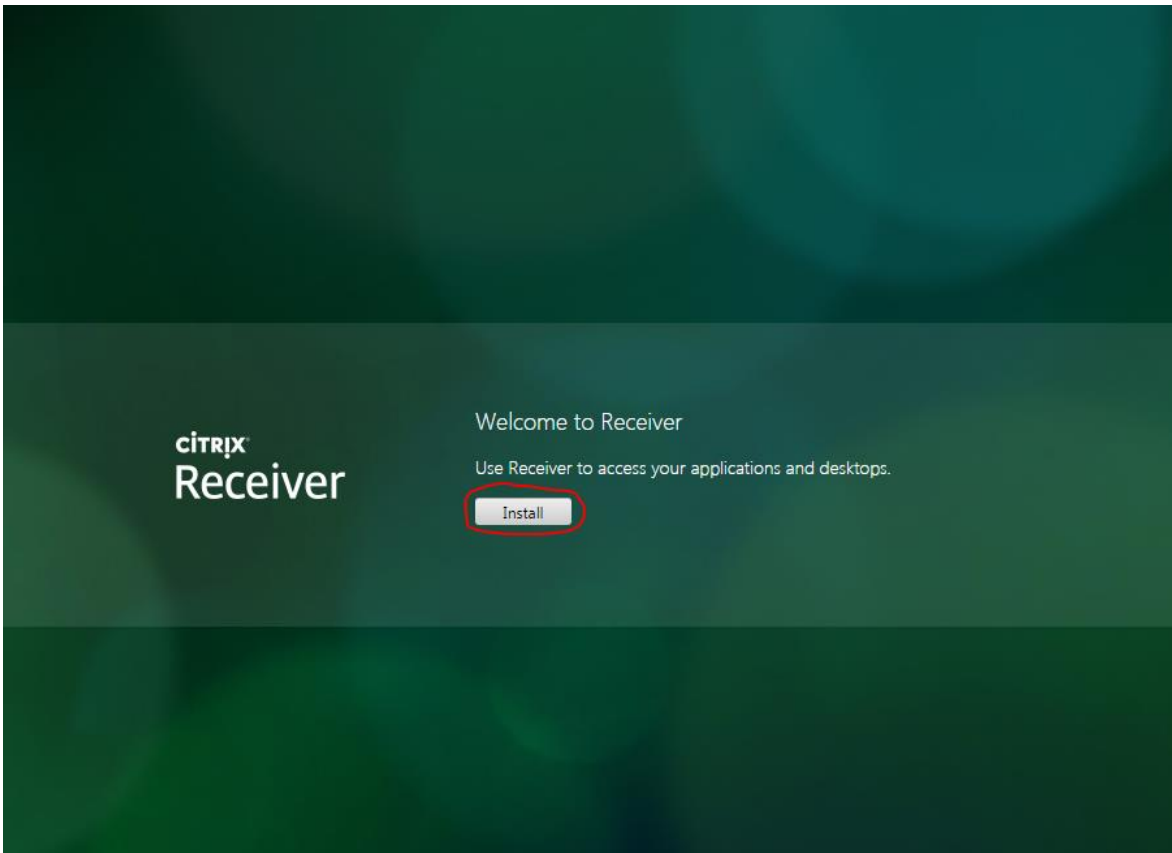

Please log on

User name

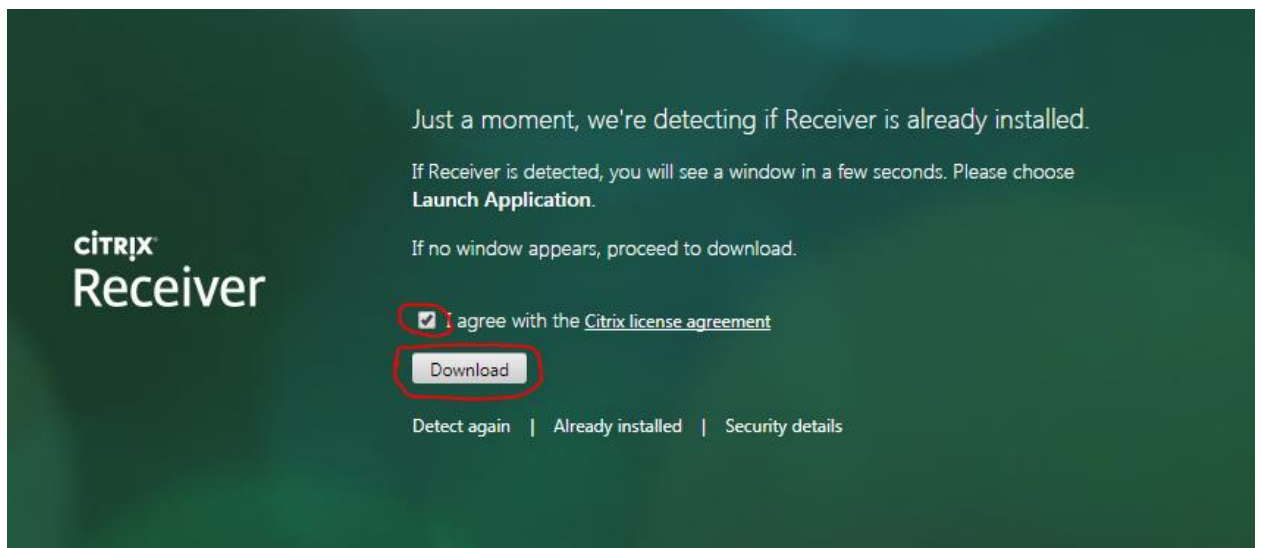

Password

Please Login with your Novell User name (ex: jdoe001) and password.
If you still have trouble logging in, contact EIC for support at 305-348-3034 or go to EC2805
if you forgot your novell username and password please go to eic.fiu.edu

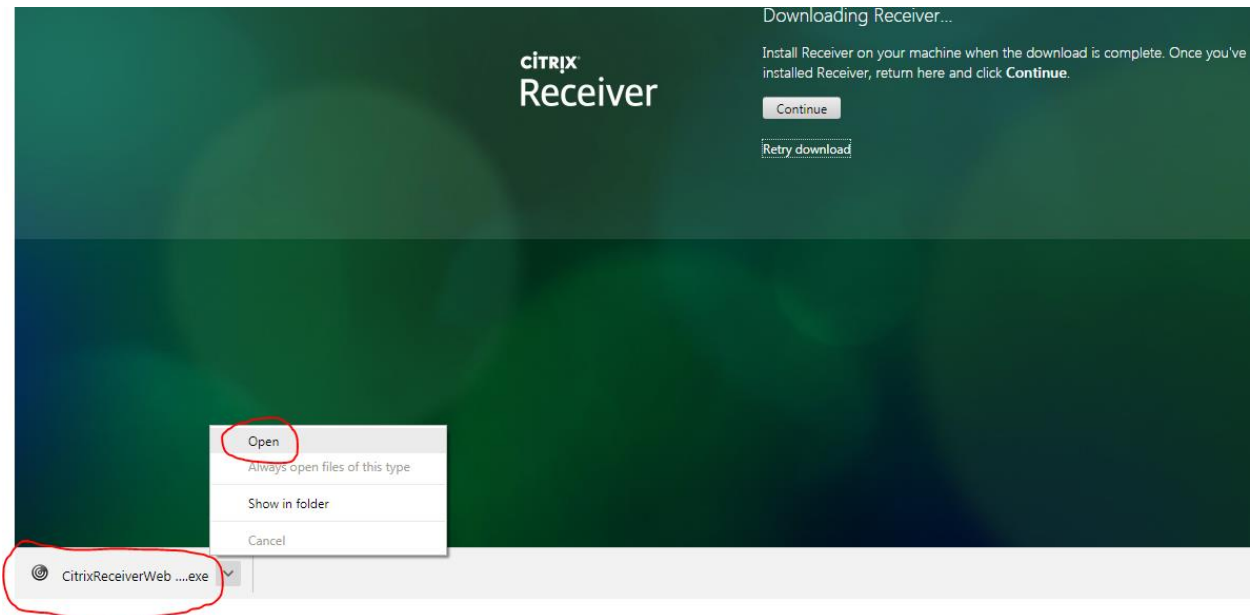

3- Once authenticated, Citrix will ask to install the receiver.

4- Citrix Agreements and receiver download.

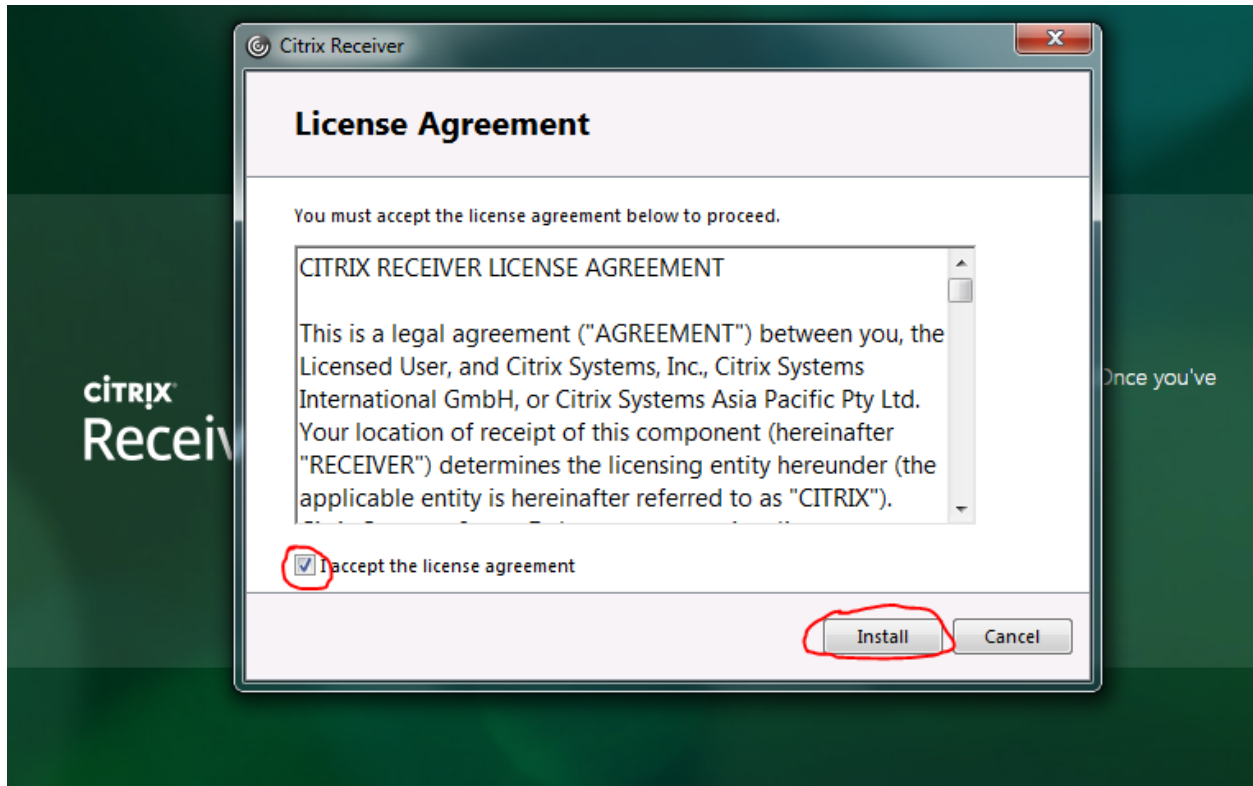

5- Once the file is downloaded, open the CitrixReceiverWeb.exe

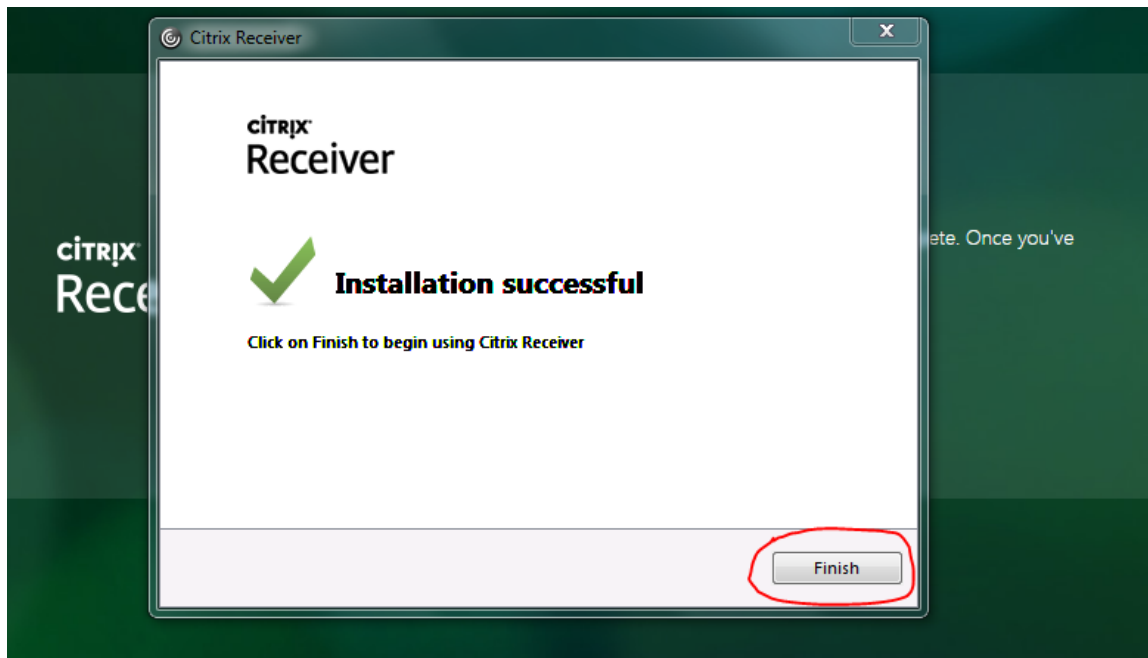

6- Receiver Installation

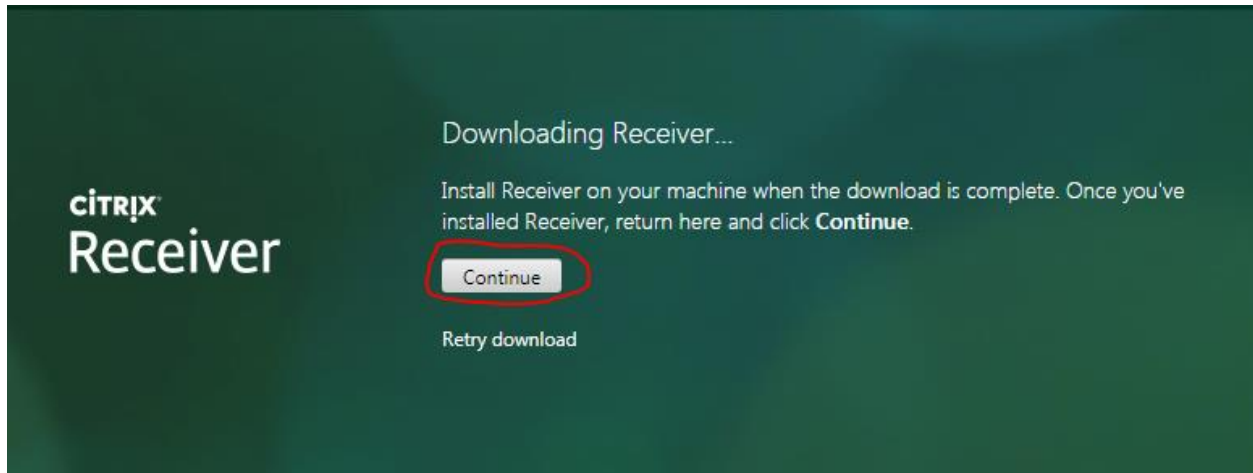

7- License Agreement

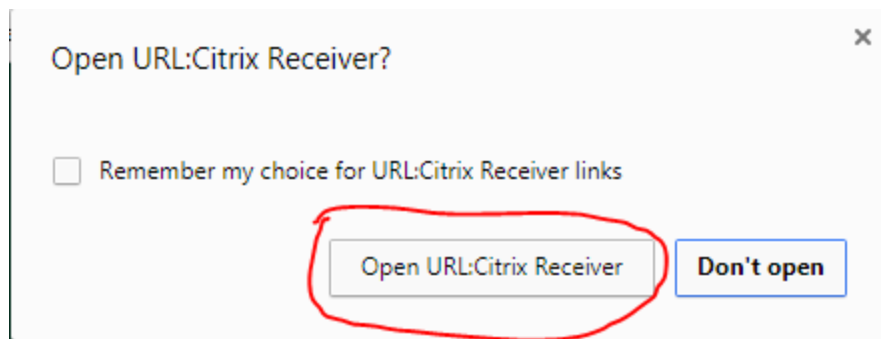

8- Installation Successful

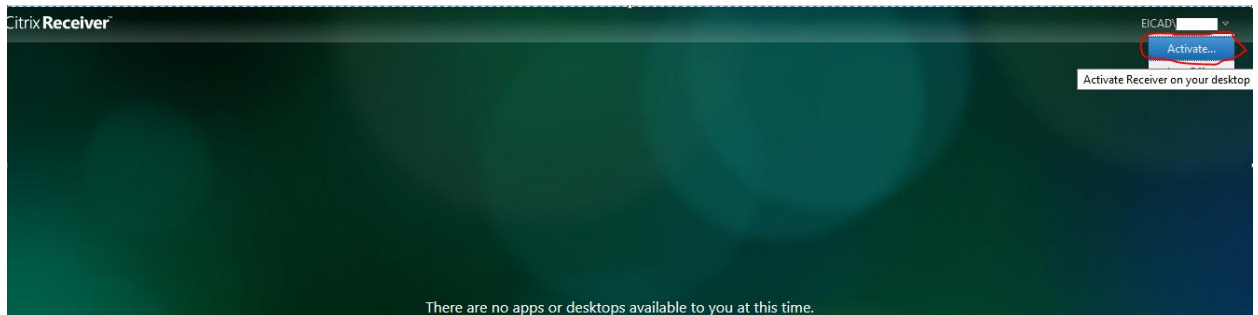

9- Click on Continue

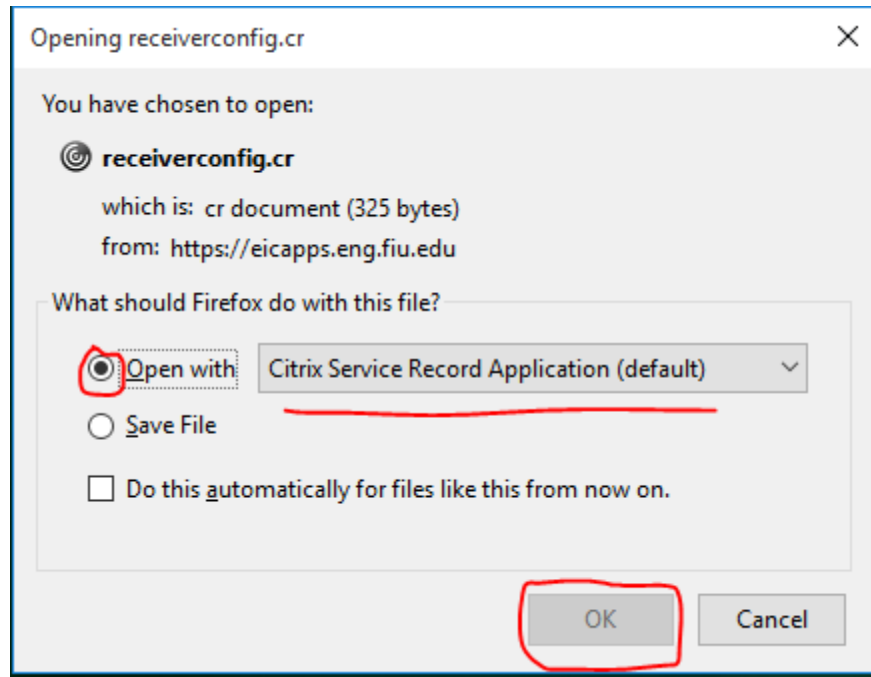

10- Open URL: Citrix Receiver

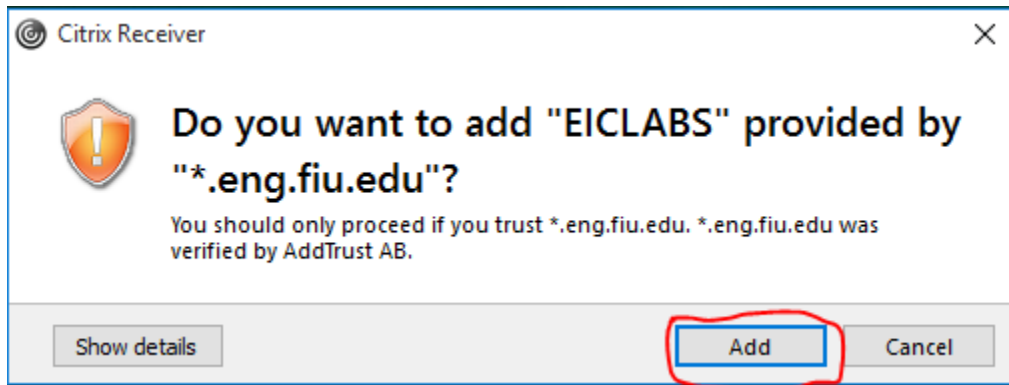

11- Activate the Receiver on your desktop (**very important step**)

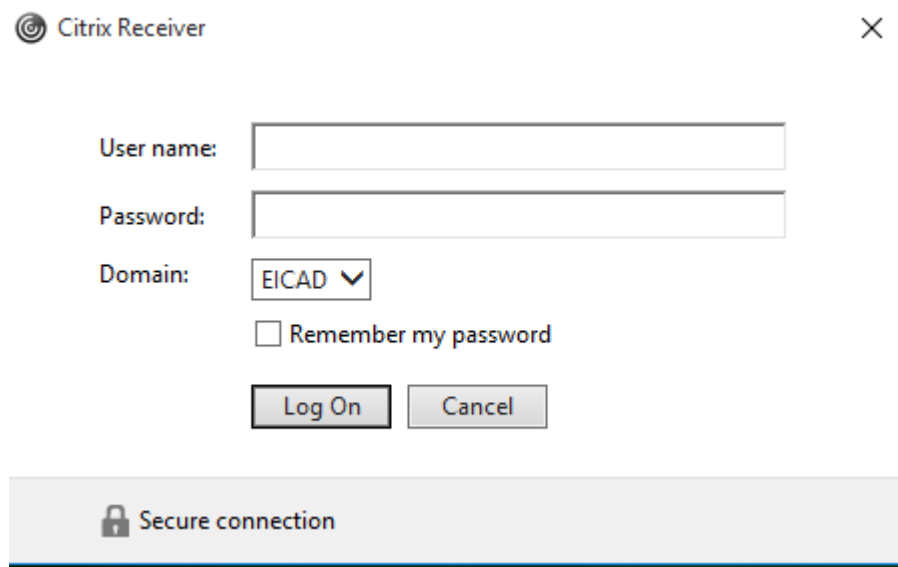

12- Opening the receiver config.cr

13- Add EICLABS provided by eng.fiu.edu

14- Citrix Receiver Authentication using the EIC Novell Account

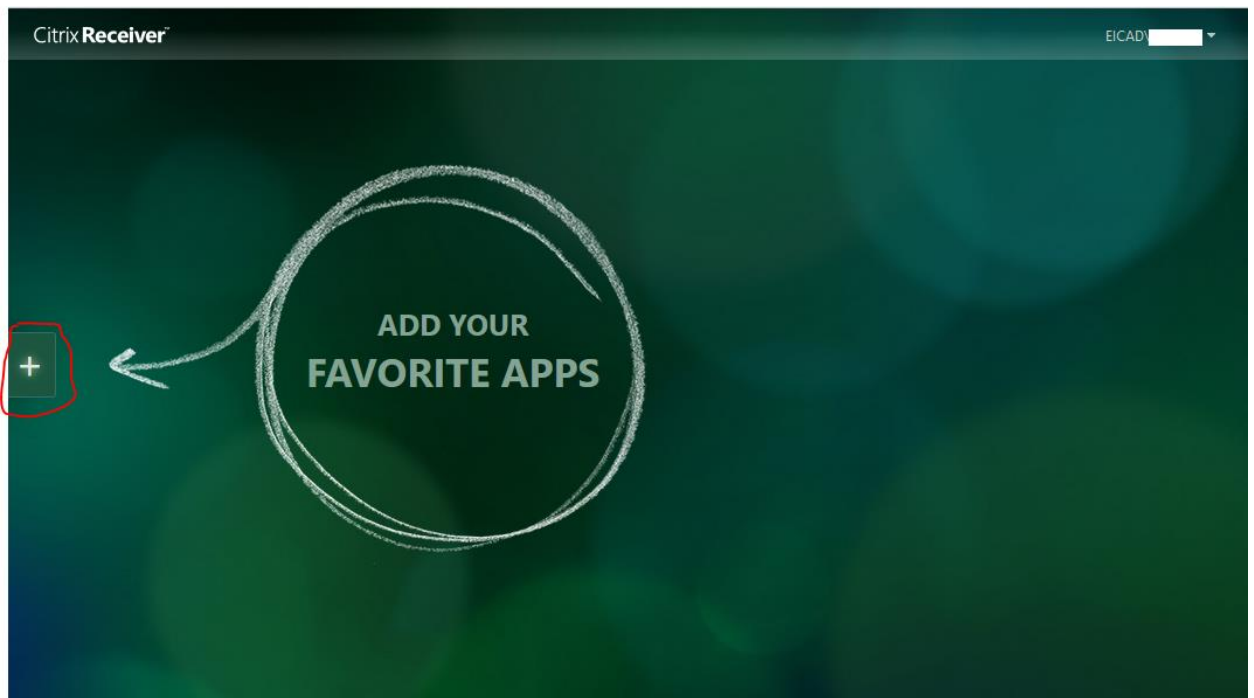

The image shows a Citrix Receiver authentication dialog box. It has a title bar with the Citrix Receiver logo and a close button (X). The main area contains the following fields and controls:

- User name:** A text input field.
- Password:** A password input field.
- Domain:** A dropdown menu currently showing "EICAD".
- Remember my password
- Log On** button
- Cancel** button

At the bottom of the dialog, there is a status bar with a lock icon and the text "Secure connection".

15- Add your favorite Apps

16- List of all Apps. You can choose as many favorite apps as you are going to use.
